Dear Usman Eshai,

Welcome to the most exclusive club in business! On behalf of all of us at Inc., I am delighted to inform you that Courier Distribution Systems has earned the position of 228 on the 2017 Inc. 500. Your company's achievement is duly noted in the enclosed issue of Inc. magazine.

Each year for 36 years, Inc. has set out to recognize the fastest-growing private companies in America, and this year's set of winners places the bar very high indeed. To make the list, your company had to have grown a minimum of ten-fold over the past three years. During a stretch when the economy grew just 6.7 percent, that's a result most businesses could only dream of.

As an Inc. 500 honoree, Courier Distribution Systems now shares a pedigree with Intuit, Zappos, Under Armour, Microsoft, GoPro, Timberland, Clif Bar, Patagonia, Oracle, Box, Grubhub, and dozens of other Inc. 500 alumni that have gone on to become household names. In addition to Courier Distribution Systems, the class of 2017 includes such powerhouses as 5'well, Halo Top Creamery, Bitly, and Orangetheory Fitness. In other words, you are in very good company.

Congratulations to you and your team. You should be proud of all Courier Distribution Systems has achieved to date. I wish you many more years of success.

Sincerely,
